

**CERTIFICATE  
OF ACCREDITATION****No. O-006**

dated 01.07.2025

The Slovak National Accreditation Service issues a Certificate of Accreditation to an accredited body pursuant to Section 26 par.6 of Act No. 53/2023 Coll. on Accreditation of Conformity Assessment Bodies (hereinafter referred to as the "Accreditation Act").

**PRVÁ ZVÁRAČSKÁ, a.s.**

Kopčianska 14, 851 01 Bratislava

ID Number: 35 805 609

**Organizational unit performing the activity of the Accredited Body:**

Certification Body Certifying Persons in Welding and NDT

**Workplace of the Accredited Body:**

Kopčianska 14, 851 01 Bratislava

**Identification number of the Accredited Body:** 141/O-006**Area of accreditation:** Certification of persons

The accredited body demonstrated its competence to perform the accredited activity fulfilling the accreditation requirements of **ISO/IEC 17024: 2012** Standard when performing certification of persons in welding, non-destructive testing and anti-corrosion protection within accreditation scope delineated in the Annex of this Certificate of Accreditation. The Annex shall form an integral part of the Certificate of Accreditation.

**Number and date of issue of the accreditation decision:** No. 141/11715/2025/1 dated 16.06.2025

**Validity of the accreditation decision:**

The accreditation decision No. 141/11715/2025/1 dated 16.06.2025 is valid from 01.07.2025 to 29.03.2028.

The validity of this Accreditation Certificate expires upon the expiry of the accreditation decision, the decision on withdrawal of the accreditation pursuant to Section 31 or the expiry of the accreditation pursuant to Section 32 of the Accreditation Act.

  
Štefan Král  
director

**Scope of Accreditation****Accredited body:** PRVÁ ZVÁRAČSKÁ, a.s.

Kopčianska 14, 851 01 Bratislava

**Organizational unit performing the activity of the accredited body:**

Certification Body for certification of welding and NDT persons

**Place of performance of the accredited body:**

Kopčianska 14, 851 01 Bratislava

**Identification number of the accredited body:** 141/O-006

**Annex to the Certificate of Accreditation No. O-006 dated 01.07.2025.**

*The Annex is an integral part of the  
Certificate of Accreditation*

**Product sectors**

|    |                                                                                                                                    |
|----|------------------------------------------------------------------------------------------------------------------------------------|
| c  | Castings (ferrous and non-ferrous materials)                                                                                       |
| f  | Forgings (all types of forgings: ferrous and non-ferrous materials)                                                                |
| w  | Welds (all types of welds, including soldering, for ferrous and non-ferrous materials)                                             |
| t  | Tubes and pipes (seamless, welded, ferrous and non-ferrous materials, including flat products for the manufacture of welded pipes) |
| wp | Wrought products (except forgings, for example plates, rods)                                                                       |

**Industrial sectors\***

|   |                                                                                                                           |
|---|---------------------------------------------------------------------------------------------------------------------------|
| m | Manufacturing (possibility of certification in sectors w, c, f, wp, t)                                                    |
| s | Pre and in-service testing which includes manufacturing <b>m</b> (possibility of certification in sectors w, c, f, wp, t) |
| r | Railway maintenance (possibility of certification in sectors w, c, f, wp, t)                                              |
| a | Aerospace industry (possibility of certification in sectors w, c, f, wp, t)                                               |
| v | Car industry (possibility of certification in sectors w, c, f, wp, t)                                                     |

**Notes:**

\* Industrial sectors defined by Certification Body Certifying Persons in Welding and NDT PRVÁ ZVÁRAČSKÁ, a.s.

**CAB meets the requirements of EA-2/17 M: 2020, the applied accreditation standard is in accordance with the current version of MSA-N/01.**
